

## About Elitech

Elitech is an innovative company specializing in the R&D and manufacturing of instruments and control systems. We focus on technologies such as temperature measurement and control, industrial leak detection and vacuum systems, multi-parameter data loggers, and particulate monitoring. Elitech also provides cloud-based system integration and AI-driven industry solutions. Our products are widely used in commercial and industrial refrigeration, heat pumps, food and pharmaceutical cold chain, light commercial applications, environmental monitoring, and new energy sectors. We are committed to global expansion.

## AI Measurements Instruments

Elitech, as one of the globally renowned smart HVAC/R tools suppliers, We have completely revolutionized traditional HVAC/R tools by redefining the future of HVAC/R tools.

Using various sensors, relays (simple calculations), data collection and storage, connectivity, big data analytics, and artificial intelligence (AI).

## Innovating Beyond Tradition: Analysis Of The Unique Advantages Of AI Measurements Instruments

- 01 Enable predictive maintenance, reduce downtime and extend the lifespan of HVAC/R system.
- 02 Diagnose energy and maximize its system efficiency to create a green future.
- 03 Through data collection and big data calculation, intelligent diagnosis of device faults.
- 04 Enhance work efficiency and simplify operations. AI replaces experienced technicians, enabling even novices to complete complex tasks, significantly reducing labor costs.
- 05 OTA remote upgrade, more functions can be expected based on your new need.
- 06 Make work traceable: data transparency visualization.

## Real-time Cold Chain Monitoring Solution

### Life Science Cold Chain

Elitech iCold Pharmaceutical Cold Chain Solution is mainly oriented to the field of life sciences. It performs network monitoring on different aspects of the production, storage, transportation and sales of vaccines and special drugs, and uploads the monitored temperature and humidity data to the cloud in accordance with the same national standards. The platform can be connected to the cold chain monitoring platform in order to monitor, collect statistics, analyze and share information on the collected data, so as to ensure the safety, compliance and full-process monitoring of all aspects of Medical cold chain.

**Compliance**  
Passed FDA certification and complies with international pharmaceutical industry standards.

**Networked alarms**  
After the sensor is triggered, the platform is manned 24 hours a day to deliver notifications in a timely manner to ensure drug safety.

**Waybill management**  
Real-time viewing of drug temperature, humidity, and transportation trajectories enables multiple early warnings and data backtracking.

**Security monitoring**  
Monitor all aspects of raw material procurement, production, research and development, storage and transportation.

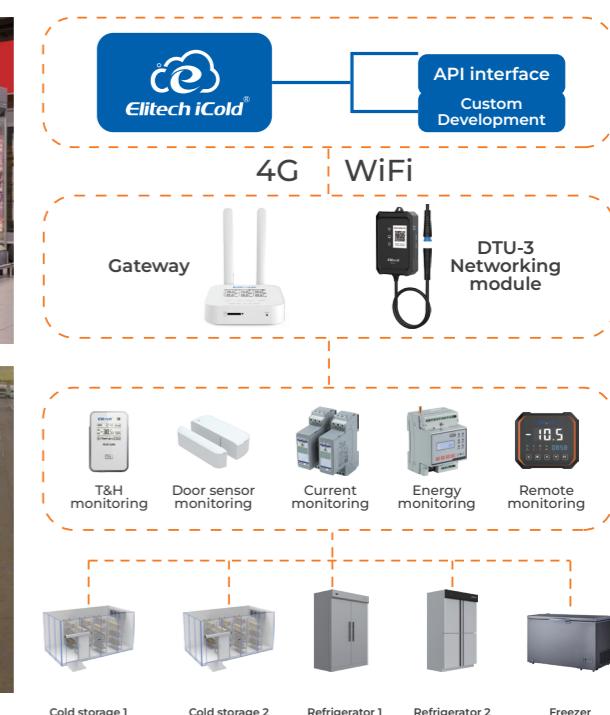

**Compliance**  
Real-time analysis of data is performed through big data cloud computing to form reports, which can be printed and exported on-site.

**Compliance**  
Suitable for temperature and humidity monitoring in medical warehouses, medical boxes, medical cabinets, medical laboratories and other places.

## Real-time Cold Chain Monitoring Solution

### Food Cold Chain

Elitech iCold can provide a full-process solution for the food cold chain. It uses IoT big data, cloud computing and other technologies to supervise every link of food production, transportation, storage and other aspects in real time through intelligent hardware, monitor temperature and humidity changes, and ensure food safety, reducing food loss and improving transportation rate. It also provides solutions for chain catering stores. Through the monitoring of store facilities and equipment, the headquarters can manage all its stores, control food safety conditions, grasp the energy consumption of cold storage and freezers, and provide early warning of abnormal trends.

**Temp & humi monitoring**  
Achieve accurate control of temperature and humidity in cold storage / refrigerator and collect historical data records to ensure food safety

**Compressor monitoring**  
Monitor compressor current, voltage, overload and other issues to ensure equipment operation and report abnormal conditions in a timely manner.

**Energy consumption monitoring**  
Monitor and analyze cold storage energy consumption through the ECO<sup>2</sup> cloud computing algorithm to achieve energy saving.

**Food safety monitoring**  
According to the food type and storage requirements, simulate the core temperature of the food and provide early warning of abnormalities.

**Door status monitoring**  
Monitor and record the status of the door switch of the monitored cold storage or equipment, and the door switch data can be traced.

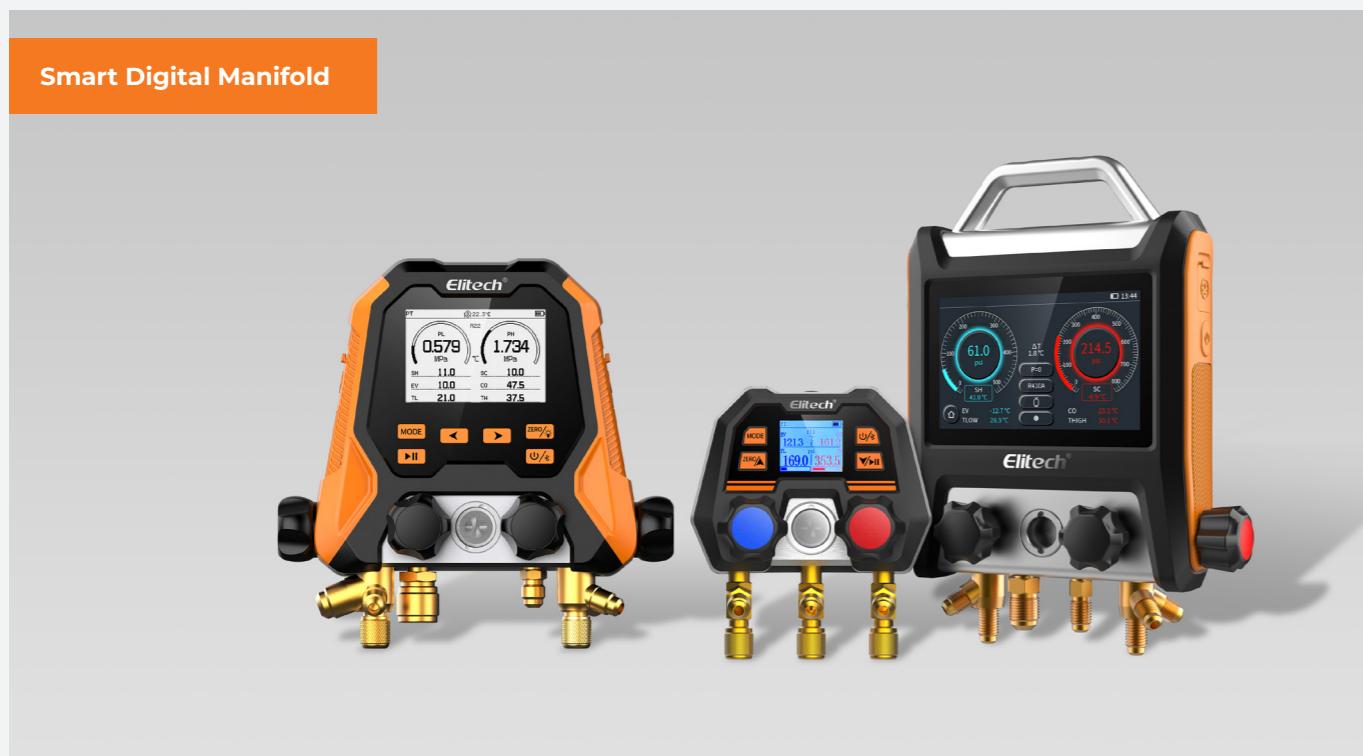

**System integration**  
Integrate a variety of sensors and upload monitoring data to the cloud platform to achieve centralized management and control of multiple stores.

## Smart Digital Manifold

## MS-4000

Order no.: 0401 0114 Case Qty: 3

## Highlight

- Extra large touch color screen, more comprehensive intelligent analysis display
- Visualize system diagnostic data: the process is visible, the results are intuitive, and the records are traceable
- The APP can instantly export offline data and provide intelligent analysis to assist decision-making
- Personalized selection of refrigerant types, 140+ continuously updated..
- Switch between dark and bright modes, solving the problem of strong light with one click

## Accessory List

- MS-4000 Smart digital manifold
- Wired temperature clamp (2 pcs)
- Vacuum transmitter
- Vacuum tube 3/8" SAE
- Hose filling set with ball valve 1/4" SAE (3 pcs)
- Transmitter bending joint, Transmitter T-joints
- Instrument case
- Universal power adapter
- USB-C cable
- R410A adapter 5/16" SAE female to 1/4" SAE male flare (2pcs)
- 3/8" SAE adapter

## MS-870

Order no.: 0401 0223 Case Qty: 4

## Highlight

- Bluetooth connection to Elitech tools App for quick, convenient monitoring and reporting on site
- Supports a variety of extended probes to meet different application scenarios
- 140+ refrigerant library switching and can be personalized
- Three working modes: pressure and temperature measurement, pressure holding, and vacuum

## MS-870 Smart Kit

Order no.: 0401 0229 Case Qty: 3

## Kit List

- MS-870 Smart digital manifold
- Wired temperature clamp (2 pcs)
- Vacuum tube 3/8" SAE
- Hose filling set with ball valve 1/4" SAE (3 pcs)
- R410A safety valve
- R410A adapter 5/16" SAE female to 1/4" SAE male flare (2pcs)
- Instrument case

\*The highlights are the same as those of the MS-870

## MS-870 Smart Premium Kit

Order no.: 0401 0205 Case Qty: 3

## Kit List

- MS-870 Smart digital manifold
- IPT-01S Wireless temperature clamp (2 pcs)
- Vacuum tube 3/8" SAE
- Hose filling set with ball valve 1/4" SAE (3 pcs)
- R410A safety valve
- R410A adapter 5/16" SAE female to 1/4" SAE male flare (2pcs)
- Instrument case

\*The highlights are the same as those of the MS-870

## MS-810

Order no.: 0401 0224 Case Qty: 4

## Highlight

- Bluetooth connection to Elitech tools App for quick, convenient monitoring and reporting on site
- Supports a variety of extended probes to meet different application scenarios
- 140+ refrigerant library switching and can be personalized
- Three working modes: pressure and temperature measurement, pressure holding, and vacuum

**MS-810 Smart Kit**  
Order no.: 0401 0206 Case Qty: 3

#### Kit List

- MS-810 Smart digital manifold
- Wired temperature clamp (2 pcs)
- Hose filling set 1/4" SAE (3 pcs)
- R410A adapter 5/16" SAE female to 1/4" SAE male flare (2pcs)
- Instrument case

\*The highlights are the same as those of the MS-810

**MS-100**  
Order no.: 0401 0157 Case Qty: 18

#### Highlight

- Firmware update in the instrument via App
- Powerful computing power, 140+ refrigerant switching, and can be customized
- Bluetooth connection to mobile phone APP, more than a little easier to use
- Digital sensor with built-in temperature compensation for more accurate detection
- Anti-drop design, small for easy carry

#### Accessory List

- MS-100 Smart digital manifold
- Tool bag

**MS-1000S**  
Order no.: 0401 0127 Case Qty: 5

#### Highlight

- Supported mobile APP viewing and report analysis (curve analysis, data viewing)
- OTA (Firmware update) in the instrument via App, always keep the device in the best condition
- Real-time data recording, system analysis is efficient and convenient
- Powerful computing power, supporting multiple refrigerants

#### Accessory List

- MS-1000S Smart digital manifold
- Wired temperature clamp (2 pcs)
- Hose filling set 1/4" SAE (3 pcs)
- R410A adapter 5/16" SAE female to 1/4" SAE male flare (2pcs)
- Instrument case

**DMG-3/3B**  
Order no.: 0401 0069/0401 0071

Case Qty: 3/3

#### Accessory List

- DMG-3 Digital manifold
- Hose filling set 1/4" SAE (3 pcs)
- Quick coupler (2 pcs)
- Corkscrew
- Valve core wrench
- R410A adapter 5/16" SAE female to 1/4" SAE male flare (2 pcs)
- Instrument case

#### DMG-3B

- DMG-3B Digital manifold

\*The remaining accessories are the same as those of DMG-3

**MS-100 Plus**  
Order no.: 0401 0189 Case Qty: 18

#### Highlight

- Smart APP connects 140+ refrigerants with free switching and custom settings
- Remote OTA firmware updates via App to maintain optimal device condition
- High-definition color screen for clear and intuitive operation
- Multi-function device with working modes including pressure holding and vacuum
- Compact modern design that's portable, sturdy and durable

#### Accessory List

- MS-100 Plus Smart digital manifold
- R410A safety valve
- R410A adapter 5/16" SAE female to 1/4" SAE male flare (2pcs)
- Tool bag

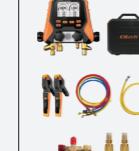

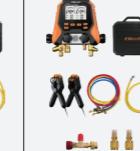

**SMG-1L/SMG-1H**  
Order no.: 0401 0065/0401 0067

Case Qty: 15/15

#### Accessory List

- SMG-1L Digital manifold
- SMG-1H Digital manifold

## Digital Vacuum Gauge

## VGW-MiNi

Order no.: 0401 0118 Case Qty: 70

## Highlight

- Full viewing angle VA display screen for clear and intuitive display
- Smart APP with supported OTA, Intelligent data analysis by growing wisdom
- Real-time recording of system data, saving manpower supervision
- Intelligent water vapor judgment for accurate judgment of vacuum effect
- Small size, easy to install and use

## Accessory List

- VGW-MiNi Digital vacuum gauge
- O-ring (2pcs)
- Oil-proof film (4pcs)
- Tool bag

## VGW-MiNi Smart Kit

Order no.: 0401 0182 Case Qty: 42

## Kit List

- VGW-MiNi Digital vacuum gauge
- O-ring (2pcs)
- Oil-proof film (4pcs)
- Bend adaptor

\*The highlights are the same as those of the VGW-MiNi

## VGW-760 Pro

Order no.: 0401 0174 Case Qty: 15

## Highlight

- Measuring range: full scale
- Wireless transmission distance: 100 meters
- Automatically generate a report on the app side after the leakage test is finished

## Accessory List

- VGW-760 Pro Digital vacuum gauge
- O-ring (2pcs)
- Oil-proof film (4pcs)
- Bend adaptor
- Tee adaptor
- Adaptor rubber plugs (6pcs)
- Tool bag

## VGW-760

Order no.: 0401 0089 Case Qty: 15

## Highlight

- Settable high/low pressure alarms, notifications will be sent when readings go beyond the predetermined value
- Easy conversion between 8 measurement units: inHg, Torr, psi, mbar, mTorr, Pa, microns, Kpa
- Long battery life, up to working 120 hours

## Accessory List

- VGW-760 Digital vacuum gauge
- O-ring (2pcs)
- Oil-proof film (4pcs)
- Bend adaptor
- Tee adaptor
- Adaptor rubber plugs (6pcs)
- Tool bag

### PG-30 Pro Red

Order no.: 0401 0055 Case Qty: 36

#### Highlight

- Use temperature-compensated pressure sensor, temperature drift not exceeding  $\pm 0.04\%$ FS/ $^{\circ}\text{C}$
- LCD screen& blue backlight display, partition display for different measurements, direct readings for all measurements
- Various refrigerants options, built-in 97 types
- Zero function, use ZERO button to zero out and correct the system

#### Accessory List

- PG-30 Pro Red Digital Pressure Gauge

### PG-30 Pro Blue

Order no.: 0401 0043 Case Qty: 36

#### Accessory List

- PG-30 Pro Blue Digital Pressure Gauge

\*The highlights are the same as those of the PG-30 Pro Red

Model	PG-30 Pro Red	PG-30 Pro Blue
Product image		
Pressure measurement range	-14.7~800psi	
Resolution	0.5psi	
Accuracy	$\pm 0.5\%$ FS	
Sampling rate	1s	
Pressure units	MPa, bar, psi, kPa, kg/cm <sup>2</sup> , cmHg	
Temperature units	$^{\circ}\text{C}/^{\circ}\text{F}$

Power supply	3x1.5V AAA batteries	
Operating hours(Low-power mode)	1500h	
Over range alarm	Displays -OL-	
Size	98x70x34mm/3.86x2.76x1.34"	
Weight	185g/0.41lb	

### Smart Wireless Temperature Clamp

### IPT-01S

Order no.: 0401 0177 Case Qty: 32

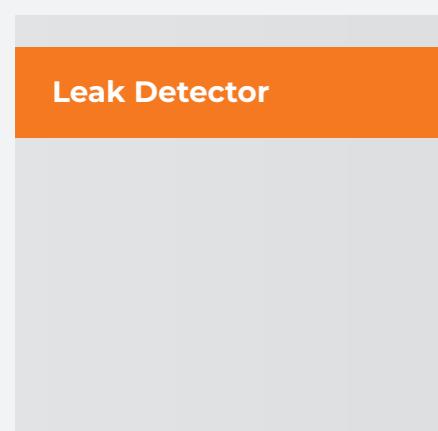

#### Highlight

- 180° rotatable screen, easy adjustment of the reading angle
- High-precision thermocouple sensor Faster response and greater accuracy
- View data via app charts Precise monitoring of the changing process
- Built for Elitech digital manifolds, empowering a smarter, more efficient HVAC tool ecosystem
- Firmware update in the instrument via App, always keep the device in the best condition

#### Accessory List

- IPT-01S Wireless temperature clamp
- USB-C cable
- Lanyard
- Red marked rubber rings (2 pieces)
- Blue marked rubber rings (2 pieces)

Model	IPT-01S
Product image	
Measurement range	-40~150°C/-40~302°F
Accuracy	±0.5°C/±0.9°F
Resolution	0.1°C/0.18°F
Units	°C, °F, K
Sensor type	Type-T thermocouple sensor
Wireless transmission distance	100m/328ft (in unobstructed environment)
Offline data storage	3000 data points
Data recording/export	✓
Bluetooth/APP/OTA (Firmware update)	✓
Auto power off	OFF, 15 min, 30 min, 60 min (default 15 min)
Working temperature	-10~50°C/14~122°F
Storage temperature	-20~60°C/-4~140°F
Display	OLED screen
Screen Rotation angle	180°rotatable
Power supply	450mAh 3.7V rechargeable lithium battery
Operating hours(Low-power mode)	60hours
Protection class	IP54
Measure the pipe diameter	6~38mm/0.24~1.50"
Size	110×75×135mm/4.33×2.95×5.32"
Weight	120g/0.26lb

### Leak Detector

### Inframate S Max

Order no.: 0400 0232 Case Qty: 6

#### Highlight

- Detection accuracy: 1g/yr
- Strong anti-interference ;locate leaks easily in complex environments
- The infrared sensor is not easily damaged under high-concentration refrigerant conditions
- Sensor life reaches 10 years

1g/yr

#### Accessory List

- Inframate S Max Infrared leak detector
- UV LED
- Filter components (5 pieces)
- Charging cable
- Extension pole
- Instrument case

### Inframate S

Order no.: 0400 0133 Case Qty: 6

#### Highlight

- Strong anti-interference ;locate leaks easily in complex environments
- The infrared sensor is not easily damaged under high-concentration refrigerant conditions
- Detection accuracy: 4g/yr
- Sensor life reaches 10 years

#### Accessory List

- Inframate S Infrared leak detector
- UV LED
- Filter components (5 pieces)
- Charging cable
- Extension pole
- Instrument case

### Inframate D

Order no.: 0400 0128 Case Qty: 6

#### Highlight

- Infrared&heating diode sensor 2-in-1 leak detector
- Dual sensors are suitable for more usage scenarios, improving work efficiency
- Detection accuracy: 4g/yr
- Strong anti-interference, faster response

2in1

#### Accessory List

- Inframate D Infrared leak detector
- UV LED
- Filter components (5 pieces)
- Charging cable
- Extension pole
- Instrument case

### Inframate C

Order no.: 0400 0152 Case Qty: 6

#### Highlight

- Find R-744 refrigerant leaks
- Long-life sensor made to last up to ten years
- Detection accuracy: 6g/yr
- Senses change and works in contaminated environments

#### Accessory List

- Inframate C Infrared leak detector
- UV LED
- Filter components (5 pieces)
- Charging cable
- Extension pole
- Instrument case

### Inframate PPM

Order no.: 0400 0180 Case Qty: 6

#### Highlight

- New technology NDIR solution with leakage concentration quantitative display and more anti-interference
- Display ppm value for easy locating the leakage point in complex environment
- View and analyze leakage data through the app, and verify the maintenance effect
- Firmware update in the instrument via App, always keep the device in the best condition
- Sensor life reaches 10 years

#### Accessory List

- Inframate PPM Infrared leak detector
- UV LED
- Filter components (5 pieces)
- Charging cable
- Extension pole
- Instrument case

### Inframate X

Order no.: 0400 0226 Case Qty: 6

#### Highlight

- Triple-Function Infrared Sensor Capable, simultaneously detecting halogen, carbon dioxide (CO<sub>2</sub>), and hydrocarbon (HC) refrigerants
- The Anti-interference ability is upgraded again, fearless of interfering gases
- Firmware update in the instrument via App, always keep the device in the best condition
- Sensor life reaches 10 years

#### Accessory List

- Inframate X Infrared leak detector
- UV LED
- Filter components (5 pieces)
- Charging cable
- Extension pole
- Instrument case

### HD Mate

Order no.: 0400 0206 Case Qty: 6

#### Highlight

- New generation upgrade sensor with lower power dissipation and higher sensitivity
- 2.8 inches screen, could indicate the leakage directly
- Anti-water design could extend the sensor's working hours
- Air pump direct suction so that could react more quickly

#### Accessory List

- HD Mate Heated diode leak detector
- UV LED
- USB-C cable
- Instrument case

### CPU-C

Order no.: 0400 0133 Case Qty: 10

#### Highlight

- Detects all the refrigerants containing halogen
- Adjust accuracy according to real time
- Self-calibration function, which verifies the initial gas concentration as zero point

#### Accessory List

- CPU-C Halogen leak detector
- Sensor probe (2pcs)
- Aluminum tool case

### LD-100+

Order no.: 0400 0150 Case Qty: 6

#### Highlight

- High Sensitivity, quick response and long sensor life time
- Automatic and manual mode suitable for locating leaks in various complex environments
- New suction structure design increases the sensitivity while having the anti-water absorption function at the same time

#### Accessory List

- LD-100+ Heated diode leak detector

### HLD-200+

Order no.: 0400 0033 Case Qty: 18

#### Highlight

- Low-consumption, compact size, easy to hold and carry
- Fast response, it warms up in 6s and responds in 3s when leakage detected and flashes leakage level indicator light
- 7 Grade sensitivity

#### Accessory List

- HLD-200+ Halogen leak detector
- Aluminum tool case

### CLD-100

Order no.: 0400 0092 Case Qty: 63

#### Highlight

- Detects all types of halogen refrigerants
- 6s preheating time, instantaneous response; 6 adjustable sensitivity
- Direct status indication with audible & visual leakage alarm indicators and dual colour battery indicators

#### Accessory List

- CLD-100 Halogen leak detector
- UV LED
- Tool bag

### WJL-6000S

Order no.: 0400 0123 Case Qty: 63

#### Highlight

- Detects all types of halogen refrigerants
- 7 Adjustable sensitivity
- Equipped with audible and visual gas leakage indicators and dual battery indicators
- Leak detector response within 3 seconds, warm up in 6 seconds

#### Accessory List

- WJL-6000S Halogen leak detector
- UV LED
- Tool bag

### IOTemp Link

Order no.: 0401 0142 Case Qty: 35

#### Highlight

- Simple and quick configuration enables more efficient intelligent interconnection
- Focus on the refrigeration and HVAC/R industry and precisely control system data
- 4G network communication provides a wider and more stable coverage range
- APP enables remote interconnection, making it more convenient to view data

#### Accessory List

- IOTemp Link Smart Internet of things gateway
- USB-C cable
- SIM card eject pin

Model	IOTemp Link
<b>Product image</b>	
<b>Adaptation equipment</b>	MS-1000S, MS-100 Plus, MS-100 series smart digital manifold, VGW-760 Pro digital vacuum gauge, SRC series refrigerant scale (Continuously updated)
<b>Transmission distance</b>	100m/328ft (in unobstructed environment)
<b>Maximum number of connected devices</b>	No more than 5 units (Bluetooth devices)
<b>Communication frequency</b>	1s/ time
<b>Upload frequency</b>	1min/ time
<b>Local cache capacity</b>	30,000 pieces of data (automatically cached when the network is disconnected, and transmitted after the network is restored)
<b>Power supply</b>	5000mAh 3.7V rechargeable lithium battery
<b>Charging voltage</b>	5V/2A
<b>Operating hours</b>	50h
<b>Charging time</b>	About 2.5h (compatible with 5V/2A charger)
<b>Protection class</b>	IP54
<b>Service environment</b>	Working temperature: -10~50/14~122°F 35%-85%RH Storage temperature: -20~60°C/-4~140°F
<b>Size</b>	100×35×130mm/3.94×1.38×5.12"
<b>Weight</b>	400g/0.88lb

### Smart Vacuum Pump

### V1200

Order no.: 0403 0034 Case Qty: 1

#### Highlight

- System leakage judgment
- Vacuum change curve display
- Intelligent start-stop motor and solenoid valve
- Reminder of remaining working hours
- Record and store data, support APP
- Large screen touch operation

#### Accessory List

- V1200 Smart vacuum pump
- 330ML&500ML: Vacuum oil (2 pieces)

### V900

Order no.: 0403 0033 Case Qty: 1

#### Accessory List

- V900 Smart vacuum pump
- 330ML&500ML: Vacuum oil (2 pieces)

\*The highlights are the same as those of the V1200

### V700

Order no.: 0403 0032 Case Qty: 1

#### Accessory List

- V700 Smart vacuum pump
- 330ML&500ML: Vacuum oil (2 pieces)

\*The highlights are the same as those of the V1200

### SVP-DC Smart Premium Kit

Order no.: 0403 0044 Case Qty: 1

#### Highlight

- System leakage judgment
- Cordless operation, 100-minute continuous operation
- The split-type Bluetooth operation main, break through the inherent operation limitations
- Bluetooth Connection App, supports OTA remote upgrade, work records, and various features
- The brushless motor makes it safer, equipped with a two-stage system, it is more efficient

#### Accessory List

- SVP-DC Smart lithium battery vacuum pump
- SVP-RC Bluetooth controller
- MT-BL 1850 Lithium battery (2 pieces)
- Charger
- 330ML: Vacuum oil

### SVP-DC Smart Kit

Order no.: 0403 0038 Case Qty: 1

#### Kit List

- SVP-DC Smart lithium battery vacuum pump
- SVP-RC Bluetooth controller
- MT-BL 1850 Lithium battery
- Charger
- 330ML: Vacuum oil

\*The highlights are the same as those of the SVP-DC Smart Premium Kit

### Refrigerant Scale

#### U1

Order no.: 0402 0110 Case Qty: 3

##### Highlight

- Ultra-light and ultra-thin: 50% lighter and 25% thinner than traditional refrigerant scales
- Large screen: 4-inch capacitive touch screen, clear and intuitive display, easy to operate
- Hidden handle: The magazine design of the handle is convenient for storage and use
- Ultra-long distance: Reaching 30 meters

##### Accessory List

- U1 Refrigerant scale
- U1 Handle controller
- Power adapter\*
- USB-C cable
- Instrument case

#### SRC-510

Order no.: 0402 0093 Case Qty: 5

##### Accessory List

- Support Elitech Tools App
- Comes with a separate electronic charging valve
- Heavy-Duty&durable, constructed with thick aluminum walls, shock-resistant rubber feet
- Features three unit conversions (kg, lb, oz)

#### SRC-500

Order no.: 0402 0091 Case Qty: 5

##### Accessory List

- High precision&large Capacity
- Comes with a separate electronic charging valve
- Built-in overweight alarm warns technicians when the maximum weight limit is exceeded
- Heavy-Duty&durable, constructed with thick aluminum walls, shock-resistant rubber feet
- Features three unit conversions (kg, lb, oz)

#### SRC-410

Order no.: 0402 0089 Case Qty: 5

##### Highlight

- Support Elitech Tools App
- The remote stores in the body of the platform for convenient carrying
- Solid aluminum platform with rubber corners means
- Three display modes: kgs, lbs, and oz
- High accuracy and resolution, can be used with all refrigerants

##### Accessory List

- SRC-410 Refrigerant scale
- Wireless handl
- Charging valve
- Nylon carrying case

#### SRC-400

Order no.: 0402 0083 Case Qty: 5

##### Highlight

- High precision & large capacity
- Tough & durable, built with a rugged aluminum body and anti-collision reinforced corners
- Versatile display modes, offers three measurement units (kg, lb, oz) for universal hvac compatibility
- Features a full alarm display to warn technicians when the maximum load is exceeded

##### Accessory List

- SRC-400 Refrigerant scale
- Nylon carrying case

#### LMC-100F+

Order no.: 0402 0109 Case Qty: 5

##### Accessory List

- Higher accuracy&resolution
- Rugged&compact design
- Works up to 30 hours

##### Accessory List

- LMC-100F+ Refrigerant scale
- Instrument case

#### LMC-100A+

Order no.: 0402 0108 Case Qty: 5

##### Accessory List

- Higher accuracy&resolution
- High-quality Aluminum alloy construction ensures ruggedness and durability
- The extra-large LCD display with background light
- Works up to 30 hours

##### Accessory List

- LMC-100A+ Refrigerant scale
- Instrument case

### TIC-270

Order no.: 0408 0004 Case Qty: 10

#### Highlight

- Standard Infrared resolution is 256×192, upgraded to 320×240 with Super-Resolution for a clearer image
- Smart image algorithm delivers sharp details and clean visuals
- High sensitivity (NETD ≤ 40mK) detects even tiny temperature changes
- Built-in recording makes later review easy
- PC software auto-creates analysis reports

#### Accessory List

- TIC-270 Thermal Imager Camera
- 32GB SD card
- USB-C cable
- Tool bag

### Thermal Imager Camera

Model	TIC-270
Product image	
<b>Thermal Imaging</b>	
Detector type	12μm uncooled infrared detector
Infrared resolution	256X192
AI Real-time super-resolution	320X240
Spectral band	7.5~14μm
NETD	<40mK (<0.04°C/<32.072°F, F1.0)
Frame rate	25Hz
Lens focal length	3.2mm/0.126in
FOV	56°X42°
IFOV	3.75mrad
Focus mode	Fixed focus
Minimum imaging distance	0.3m/1.18in
Measurement range (Three levels)	Low temperature: -20°C~+150°C/-4°F~302°F High temperature: 100°C~550°C/212°F~1022°F Automatic: -20°C~550°C/-4°F~1022°F
Measurement accuracy	±2°C or ±2% of readings, whichever is greater
<b>Imaging Display</b>	
Display	2.8 inch, 320X240
Visible light camera	2 megapixels
Digital zoom	1X, 2X, 4X
Palettes	White Hot, Black Hot, Iron, Lava, RainBow, Rainbow HC, RdGy
Image mode	IR, Fuse, PIP, Visible
Temperature width stretch	Auto
<b>Measurement and Analysis</b>	
Analysis functions on the device	Central temperature point/Highest temperature point/Lowest temperature point
Supporting software	PC (Infrared Analysis Software)
<b>System Functions</b>	
Alarm type	Highest/Lowest temperature alarm in fullframe; Image pop-ups, flash prompts; Auto image capture at alarm time(with temperature data)
Power management	Auto shut-down setting
<b>Others</b>	
Power supply	Built-in rechargeable lithium-ion battery
Operating hours	About 11h
Ingress protection rating	IP54
Size	237X75X92mm/9.33×2.95×3.62"
Weight	520g/1.15lbs

### Digital Thermometer

#### ICT-220

Order no.: 0405 0254 Case Qty: 56

##### Highlight

- OTA (Firmware update) in the instrument via App, always keep the device in the best condition
- Faster response time, more frequent data grabs
- APP viewing&scenario-based data analysis
- 2.8-inch COG dot matrix screen, more intuitive display
- Supports various styles of armored K-type thermocouple sensors to make work more professional

##### Accessory List

- Dual Digital Thermometer ICT-220
- K-type thermocouple sensors (2 pieces)
- Tool bag
- Velcro (2 pieces)

#### IPT-100S

Order no.: 0405 0263 Case Qty: 56

##### Accessory List

- Historical data management, 100-day temperature and humidity records visible
- OTA (Firmware update) in the instrument via App, always keep the device in the best condition
- Smartphone connectivity, multi-scenario alarm configuration
- Simple large-screen design, 500-day long-lasting battery life
- Equipped with both high-precision internal and external temperature and humidity sensors

#### IPT-100

Order no.: 0405 0261 Case Qty: 56

##### Accessory List

- Historical data management, 100-day temperature and humidity records visible
- OTA (Firmware update) in the instrument via App, always keep the device in the best condition
- Smartphone connectivity, multi-scenario alarm configuration
- Simple large-screen design, 500-day long-lasting battery life

#### BT-3

Order no.: 0405 0008 Case Qty: 100

##### Accessory List

- BT-3 Digital Thermometer

#### WT-2

Order no.: 0405 0138 Case Qty: 100

##### Accessory List

- WT-2 Digital thermometer

#### WT-1B

Order no.: 0405 0116 Case Qty: 250

##### Accessory List

- WT-1B Digital thermometer

Model	ICT-220	IPT-100S	IPT-100
<b>Product image</b>			
<b>Temperature range</b>	-50~250°C/-58~482°F (Bare wire) -50~500°C/-58~932°F (Extended armor)	-10°C~50°C/14°F~122°F	-10°C~50°C/14°F~122°F
<b>Temperature accuracy</b>	±Max[1°C/1.8°F, 0.75% t ]°C	±0.5°C/0.9°F (10~35°C/50~95°F) ±1°C/1.8°F other ranges	±0.5°C/0.9°F (10~35°C/50~95°F), ±1°C/1.8°F other ranges
<b>Humidity range</b>	/	1%RH~99%RH	1%RH~99%RH
<b>Humidity accuracy</b>	/	±5%RH (40%~75%), ±10% other ranges	±5%RH (40%~75%), ±10% other ranges
<b>External temperature</b>	/	-20°C~70°C/4~158°F	/
<b>External accuracy</b>	/	±0.5°C/0.9°F (10~40°C/50~104°F) ±1°C/1.8°F other ranges	/
<b>Bluetooth/APP/OTA (Firmware update)</b>	√	√	√
<b>Alarm function</b>	√	√	√
<b>Data recording/export</b>	√	√	√
<b>Data storage</b>	5000 data points	5000 data points	5000 data points
<b>Wireless transmission distance</b>	30m/99ft (in unobstructed environment)	30m/99ft (in unobstructed environment)	30m/99ft (in unobstructed environment)
<b>Display</b>	2.8-inch COG dot matrix screen (Support backlight)	4.5-inch Segment display (Support backlight)	4.5-inch Segment display (Support backlight)
<b>Power supply</b>	3×1.5V AA batteries	3×1.5V AAA batteries	3×1.5V AAA batteries
<b>Operating hours (Low-power mode)</b>	150h	500 days	500 days
<b>Size</b>	90×49×222mm/3.54×1.93×8.74"	118.6×99.5×23.0mm/4.67×3.92×0.91"	118.6×99.5×23.0mm/4.67×3.92×0.91"
<b>Weight</b>	380g/0.84lb	275g/0.61lb	240g/0.53lb
